

# November News from Erle Rivers High School

## OFFICE NOTES:

Report cards are going out on November 2nd. If parents have any questions or concerns regarding how their child is doing, they are encouraged to contact their child's teacher.

**Our Community Remembrance Day Service with MRES is on Thursday, November 8th @ 10:30am.**

**There is no school on Friday, November 9th or Monday, November 12th.**

**Our Academic Awards Night is Thursday, November 15th @ 6:30pm.**

## ATHLETICS:

Thank you to everyone who came out to cheer on our senior girls at the Green & White tournament and watched them win the tournament! The community support is always welcomed!

Sign-up sheets for the upcoming basketball season are now out. We are looking for coaches, if you're able to help please contact Mrs. Miller or Mr. Ruschkowski

## STUDENTS UNION:

The Student Union has just finished up running a week of events for Halloween Havoc. This month some of our members will be given a chance to attend a leadership conference in Lethbridge and network with our student leaders in our region.

## FUNDRAISERS:

We are once again participating in the poinsettia fundraiser to earn funds for our Experience Week in May. These funds help cover the extra costs of supplies associated with offering special options for a week. The products are good quality and will help bring a festive touch to your home or they make a great gift. Orders can be made with any ERHS student, in the office, or online at our fundraising website:

**[erlerivers.growingsmilesfundraising.com](http://erlerivers.growingsmilesfundraising.com)**. Orders are due by November 21st with delivery for December 4th.

ERHS students are also selling \$10 coupon books to be redeemed at the Riverside Market. You are guaranteed to be able to redeem them and save the amount of your investment plus some. Our school gets to keep 100% of the proceeds. This is a Win-Win situation. Our school is able to earn funds for our Experience Week and you are supporting buying locally. A special thanks goes out to Riverside Market for their support of our school.

## STUDENT SUCCESS:

Our middle skills classes have been involved in a numeracy intervention program called Math Ninjas. This program aims to improve student basic math skills which will help them as they progress into more challenging curriculum. Math Ninjas has an incentive program that allows the students to earn bracelets whenever they progress through a level. We would like to thank the ERHS Booster Club for purchasing these bracelets for our students.
