

December News from Erle Rivers High School

OFFICE NOTES:

Merry Christmas from the Staff and Students of Erle Rivers High School! We hope everyone has a happy and healthy holiday with family and friends. Our last day of school before Christmas holidays will be Thursday, December 20, 2018. We return from holidays on Monday, January 7, 2018.

On Thursday afternoon we will be doing a school-wide Christmas Party where students will get an opportunity to select from a number of fun activities to participate in.

ATHLETICS:

Our Senior Girls Volleyball team finished their season with a 2nd place finish in zones! We are proud of their effort and teamwork! A special thanks goes to the coaches and families who were there to support the players!

Our basketball season is starting. We would like to thank the community members who have stepped up to take on coaching duties this season. Our Senior Novas will be hosting the Lloyd Bellew Tournament on **December 7th & 8th**. All community members are invited to come cheer on the home team. We will be posting the schedule on our Facebook Page to let people know when we are playing.

STUDENTS UNION:

The Student Union is busy planning their Christmas Cheer activities for the month of December. There will be special dress-up days, door-decorating, activities, and candy grams to help bring school and Christmas spirit to ERHS students.

FUNDRAISERS:

THANK YOU! The staff and students of ERHS would like to thank the community for their overwhelming support of our Experience Week fundraisers. Between the coupon books and the poinsettia fundraiser, \$3300 has been raised to help with our Experience Week programming costs. We are excited to be able to keep the program thanks to your help!

FOOD BANK:

At Erle Rivers High School we like to encourage community support by our students. This year, we will once again be collecting Food Bank Donations to help local families. Our collection boxes are outside the office, please contribute what you are able to, to help others in need.

STUDENT SUCCESS:

We celebrated our Academic Awards in November. Congratulations to the students who won, your hard work has paid off! Thank you to all of our Award Sponsors. We are currently looking for more sponsors for our awards, if you would like more information, please contact the office.
